

Meetings and Membership

Are you interested in Amateur Radio? Are you new to the area and looking for a radio club? You will be warmly welcomed at our club.

The North Hills Amateur Radio Club meets at 7 p.m. on the 2nd Wednesday and the 4th Wednesday at Christ Lutheran Church, 157 Peony Ave. Annual dues are \$15 and should be brought to a meeting or mailed with an SASE to:

North Hills ARC
P. O. Box 15333
Pittsburgh, PA 15237

Repeaters

Our club has 6 repeaters available for use. The 147.09 hosts the club net Tuesday at 8:30 p.m., the ARES/RACES/Public Service net Wednesdays at 9 p.m., and the Skywarn Weather Net on the 1st and 3rd Wednesday at 8:30 p.m. and the SWPA Emergency Net Sunday at 7:30 p.m. The 146.88 hosts the daily 2-meter traffic net at 8 p.m.; and the Elmer Net on Saturdays at 9 p.m. The club also maintains the above repeaters.

These are open repeaters. Autopatch privileges are available for a \$20 annual donation. Contact:

Activities

Activity Meetings

The 4th Wednesday of the month (except for November and December) the NHARC holds an activity meeting at 7 p.m. at Christ Lutheran Church, 157 Peony Ave. Programs are educational in nature, related to amateur radio, and are open to the public.

Field Day

On the last full weekend of June, the NHARC takes part in the annual Field Day event when we set up amateur radio stations on the Northland Public Library grounds. We invite the public to stop by and see us "in action" under simulated emergency operating conditions and learn more about amateur radio.

Hamfest

The first Sunday following the Fourth of July weekend, the club holds its annual Hamfest, a large outdoor event. Amateur radio operators, and other interested people, come from all over the tri-state area to buy, sell and swap anything and everything electronic and amateur radio related.

Club Breakfast

Members meet on the second Saturday of the month, at Reflections Cafe, 644 Center Ave., West View, Pennsylvania, 15229. We begin to gather around 8:45 a.m. All interested persons are welcome to attend, even if you're not a member or licensed radio amateur!

Club Net

The club net, open to all amateur radio operators, is held on the 147.09 repeater at 8:30 p.m. Tuesday evenings to disseminate information to all radio amateurs.

Newsletter

Static, our newsletter, is distributed to all via e-mail; it provides club information, program plans, hamfest information and general amateur radio news.

Club Email List

We use an e-mail list to send out urgent announcements and our newsletter to club members. If you would like to receive these messages, please send your e-mail address to kb3iys@hotmail.com and it will be added to the list.

VE Examinations and Licensing Support

The club's Volunteer Examiner team conducts amateur radio license exams for all those who interested. Testing sessions are the 2nd Saturday of the month throughout the year, at the Northland Public Library at noon.

Our club members provide instruction, lend study materials and support for anyone interested in becoming an amateur radio operator. We also provide you with the opportunity to take the amateur radio exam for technician or higher level license.

Meeting Location

Christ Lutheran Church, 157 Peony Ave.,
Pittsburgh PA 15229.

From I-279

Exit at the Bellevue Westview exit. Turn up hill. At top of hill by Quail VFD bear left. Follow road to first left, Peony Avenue. Church on left past second stop sign.

From Route 19

Turn onto Highland Ave. Turn right at intersection past Highland Country Club. Follow to first left, Peony Avenue. Church on left past second stop sign.

For More Information

For more information about the North Hills Amateur Radio Club, contact Jim Heiles. All meetings and programs are open to the public. Come and meet us and find out about the fun and excitement that is amateur radio.
